

PROJECT UPDATE

Sunterra Energy has been confirmed as the EPC contractor to deliver Wollar Solar Farm. Construction work on the solar farm is expected to start in January 2023 with operations due to commence in mid-2024. The first stage of the project will be mobilisation, civil works and earth works.

B-doubles and heavy rigid vehicles will be used to haul materials to site. This will be done in accordance with the project Traffic Management Plan and Haulage Plan. The project team is keen to utilise as much local expertise as possible during construction and operations.

SUBSTATION PROGRESS

The substation will collect power generated from the solar panels and deliver it to the local electricity network via the existing overhead transmission line crossing the site.

The major deliveries of this construction are complete with final works now underway. This project will be commissioned in preparation for energisation by March 2023.

COMMUNITY FUND

The community fund will aim to support local projects, events and initiatives. We look forward to working with local people to develop a framework to guide the fund during construction, ready for launch once the project is fully operational. We are always happy to hear ideas for ways the solar farm project could lend a hand.

CONSTRUCTION INFORMATION SESSION

The Wollar Solar project team is holding an **information session** to provide the community with the opportunity to ask questions and find out more about the project.

- **When:** Thursday 15 December 2022
- **Time:** 6pm
- **Where:** The Horatio Motel Conference Centre, 15 Horatio Street Mudgee

ACCOMODATION PROVIDERS NEEDED

The project team is seeking accommodation providers for up to 360 workers. If you can support the project, please provide your details to info@wollarsolar.com.au

To receive future newsletters via email, please visit wollarsolar.com.au

COMMUNITY FUNDRAISER BBQ

Wollar Solar has teamed up with Riding for the Disabled Mudgee (RDA) to host a community BBQ on **Thursday 15 December from 10am at the Mudgee Metroplaza**. RDA will be cooking the sausage sandwiches and you can grab one for a gold coin donation. 100% of all donations goes to the RDA and we match every donation dollar for dollar. Our project team will be on hand to answer any questions about our Wollar Solar Farm project. Be sure to stop by and say hello!
